## LIFETIME WARRANTY

Landice ellipticals have been placed in the most demanding commercial environments. We are so confident in the craftsmanship of the E7 Elliptical that we provide one of the industry's best residential warranties. Just like our machines, our warranties are built to last.

## THE ELLIPTICAL WORKHORSE

The Landice E7 Home Elliptical offers multiple and varied workouts with just one machine. Its center-drive technology replicates the natural stride of outdoor running with zero-impact on your knees. Stand upright on the frame's stationary platform and isolate your workout to strengthen your upper body using the machine's variable resistance settings.
